INTRODUCTION

Krakatoa is situated within an exclusive private housing development on the periphery of the pretty village of Gatehouse of Fleet. Krakatoa is an exquisite architect designed villa (completed 2020) set within a generous private plot enclosed by timber fencing with a neat tarmac driveway providing parking for several vehicles. There are lawns to the front with a mature oak tree set in and to the rear the garden is mainly laid to lawns, with patio areas having been created from porcelain paving slabs. A feature of the garden is the outside dining area which is set within the 'U' shape at the rear, which incorporates a large dining table with a fire pit set in the centre along with built-in gas barbecue, making this a fantastic space for family and social entertaining which can be enjoyed throughout the year.

The property is over a single floor providing bright, spacious and beautifully presented four-bedroom accommodation. Krakatoa benefits from the most up-to-date services expected within a modern build such as, underfloor heating throughout serviced through an air sourced heat pump. Large expanses of glazing allow light to flood throughout the property with the main living space having cathedral type ceilings with bifold doors giving access to the outdoor dining space, while the log burning stove provides a natural, cosy focal point throughout the colder months.

A range of local services are conveniently located within the historical village of Gatehouse, where there is a primary school, a range of shops and a variety of places to eat out. Gatehouse is also a recognised UNESCO Biosphere community. Biosphere Communities are places where local residents and businesses have committed to being proud supporters of the Biosphere.

The village attracts a wide range of artists and makers, with the town of Kirkcudbright, a 10-minute drive from the property. Kirkcudbright is extremely popular with tourists and is known as the 'Artists' Town', as well as craft shops and niche retailers the town is well served with a full range of retail and professional services. Both primary and secondary schooling are available within the town. A further range of services can be found in Castle Douglas (The Food Town), with the high street being renowned for its niche retailing with a wide range of traditional shops and craft outlets.

This area of Southwest Scotland is a varied and picturesque part of Southern Scotland, ranging from the moorland of the Southern Upland hills to the bays and sandy beaches of the Solway Coast. It is an historic and distinctly rural county where agriculture and tourism form the backbone of the local economy.

Given the diverse landscape and proximity to the Solway Coast the area offers unique walks, equestrian hacking, cycling, sailing and for the keen golfer, Dumfries & Galloway boasts no fewer than twenty-nine 18-hole courses. Equestrian activities are a feature of the county, with two active branches of the Pony Club of Great Britain. Communications and arterial links are very good with the A75 in close proximity and the M6 and M74 at Lockerbie. The international airports of Glasgow and Prestwick are within easy commuting distance.
